

Ms. FOXX. Mr. Speaker, I rise today in support of H.R. 5134 and yield myself such time as I may consume.

While the majority of the Higher Education Act is extended until the end of FY 2015 by the General Education Provisions Act, the extension does not apply to two committees authorized under the law.

The first committee is the National Advisory Committee on Institutional Quality and Integrity, which advises the Secretary of Education on accreditation issues and which accrediting bodies to improve.

The second committee is the Advisory Committee on Student Financial Assistance, which advises both Congress and the Secretary of Education on student financial aid policy. In order to ensure these important advisory committees can continue to serve policymakers, Representative HINOJOSA and I authored H.R. 5134 to extend both of these committees for 1 year.

With that, Mr. Speaker, I urge my colleagues to vote in favor of this simple extension and reserve the balance of my time.

Mr. HINOJOSA. I yield myself as much time as I may consume.

Mr. Speaker, I rise today to express my strong support for H.R. 5134, legislation which would reauthorize two advisory committees within the U.S. Department of Education for at least 1 year.

The National Advisory Committee on Institutional Quality and Integrity, known as NACIQI, and the Advisory Committee on Student Financial Assistance play vitally important advisory roles to the Secretary of Education and Congress and would not otherwise be extended through the General Education Provisions Act when the Higher Education Act expires this year.

NACIQI, for example, advises the Secretary of Education on matters related to postsecondary education accreditation and the certification process for higher education institutions to participate in Federal student aid programs.

The Advisory Committee on Student Financial Assistance provides advice and counsel on Federal student financial aid policy to both Congress and the Secretary of Education, including recommendations for increasing college access and persistence to higher education for low-income and moderate-income students.

As the ranking member of the Subcommittee on Higher Education and Workforce Training, I thank Chairman KLINE, Ranking Member MILLER, and Chairwoman FOXX for their leadership on this issue.

Although I will continue to fight for a more comprehensive reauthorization of the Higher Education Act, I believe that this bill today, as well as the other three higher education bills being voted on this week, make some key improvements to the Higher Education Act.

With that, I urge my colleagues on both sides of the aisle to support the passage of H.R. 5134.

I reserve the balance of my time.

Ms. FOXX. Mr. Speaker, I urge my colleagues to vote "yes" on H.R. 5134 and yield back the balance of my time.

Mr. HINOJOSA. Mr. Speaker, I have no further requests for time and yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from North Carolina (Ms. FOXX) that the House suspend the rules and pass the bill, H.R. 5134.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
